Cornerstone Masonry

Cornerstone Masonry Masonry and stone works go back thousands of years, resulting in majestic creations like the pyramids of Egypt and the Great Wall of China. Many European cathedrals would not be here today without masonry, nor would the Pantheon. A skilled stone mason can create many different structures and shapes using stone, concrete and brick. The possibilities for your property are endless. Website: <https://www.masonrybc.ca/> Address: 11198 84th Ave, #33043, Delta, BC, V4C 8E6 Phone #: (604) 305-4746
